

40 BANK STRRET

TASK Project Reference
Completed Mar 2022

40 BANK STREET

TASK have been privileged to be part of this glorious project located in the Canary Wharf.

The space was refurbished to reflect the modern forward-thinking ethos of the company and to accommodate a hybrid work arrangement. With greater choice of touch down areas, welcoming breakout spaces and striking elements of biophilic design the new office interior encourages employee communication and highlights the importance of well-being.

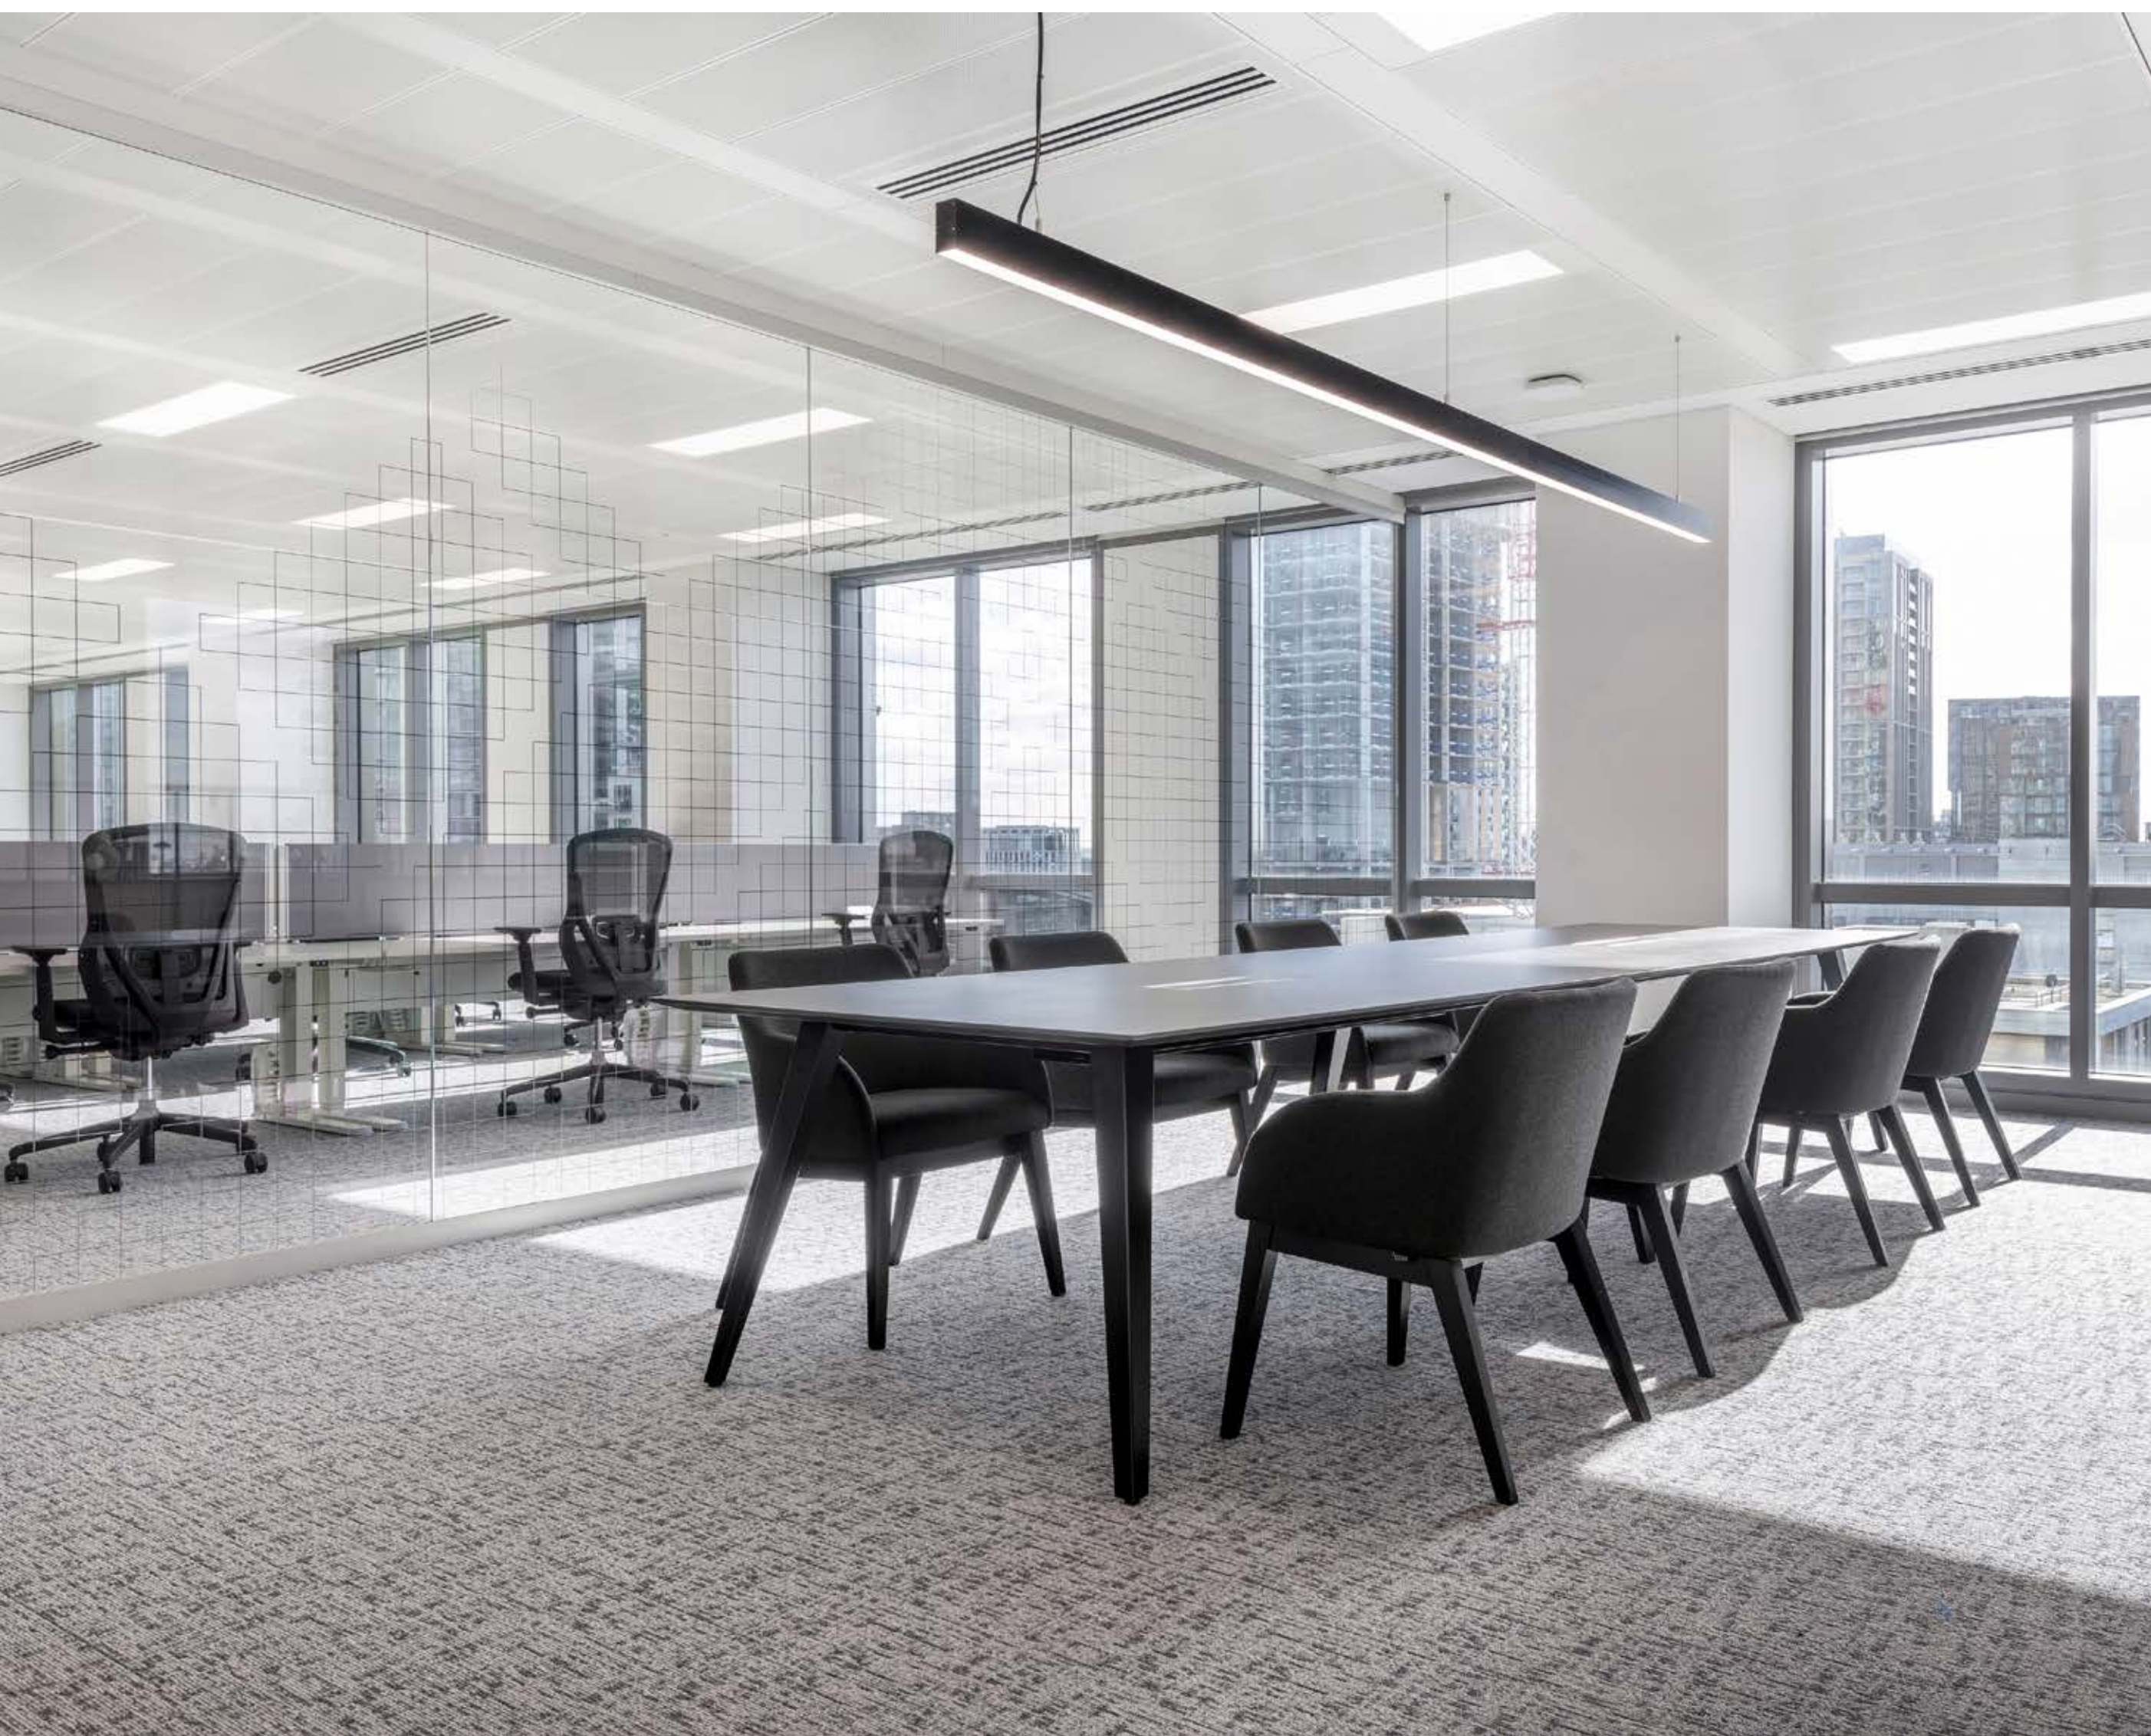

TASK Work Meeting Tables with our new Float Chair offer practical and functional solution for meeting areas or hot-desking spaces. Metal lockers integrated within open space create encourage hot desking and agile working.

By providing a healthy and comfortable indoor environment Sapphire Business Interiors created a positive workplace where people feel a part of company's culture and are enjoying their time in the office.
