ALPHA BANK

TASK is proud to present our latest project project for Alpha Bank, an elegant and stylish design that exudes prestige through the use of neutral natural tones.

The executive offices are furnished with ICF Stick 4-5 Star ATK chairs in cream leather with black metal finishes, paired with 85 Series round tables, creating a sophisticated and cohesive look.

One particularly stunning meeting room, featuring a two-sided view, is equipped with a round table surrounded by beautiful ICF Valea Elle high back chairs upholstered in cappuccino-colored leather, perfectly matching the serene surroundings.

The reception area features Marelli Ribot armchairs with two-tone upholstery and Clip coffee tables, providing a welcoming and refined space for visitors.

This project seamlessly blends elegance with functionality, reflecting Alpha Bank's commitment to creating an impressive and comfortable working environment.
