

HIML

TASK Project Reference
Completed April 2024

HIML

A lovely example of our portfolio being used to furnish this beautiful office overlooking Charterhouse Square.

We are delighted to see this project come to fruition with various elements from our portfolio taking center stage.

TEAM workstations with Aim Lite task chairs ensure a comfortable working setup, while the Work collaborative table and circular Work meeting table foster collaboration and meetings. Elements from our Everyday Collection look stunning in the breakout areas, and MFC storage completes the look perfectly.

This is a project to be proud of!
