

# LIFT3 SIT-STAND

## SPECIFICATION

LIFT3  
SIT-STAND WORKSTATION (650MM-1250MM)

Continuous 25mm gap between top panel and screen to allow cable access, and peripheral mounting flexibility.

1100h screen height. Bespoke height on request.

The Up /Down two-button controller. Also available with display for height read-out and memory to store.

J-shape cable tray with open front for simple access. Enclosed ends to minimise visual impact when raised.

Robust articulated chain cable management to give consistent performance and large capacity.

400h screen mount point to act as modesty element.
