

LOCKERS

BROCHURE

MFC STORAGE SYSTEM

DESIGNED FOR FLEXIBILITY.
BUILT FOR ORGANISATION.
STYLED FOR THE MODERN WORKPLACE.

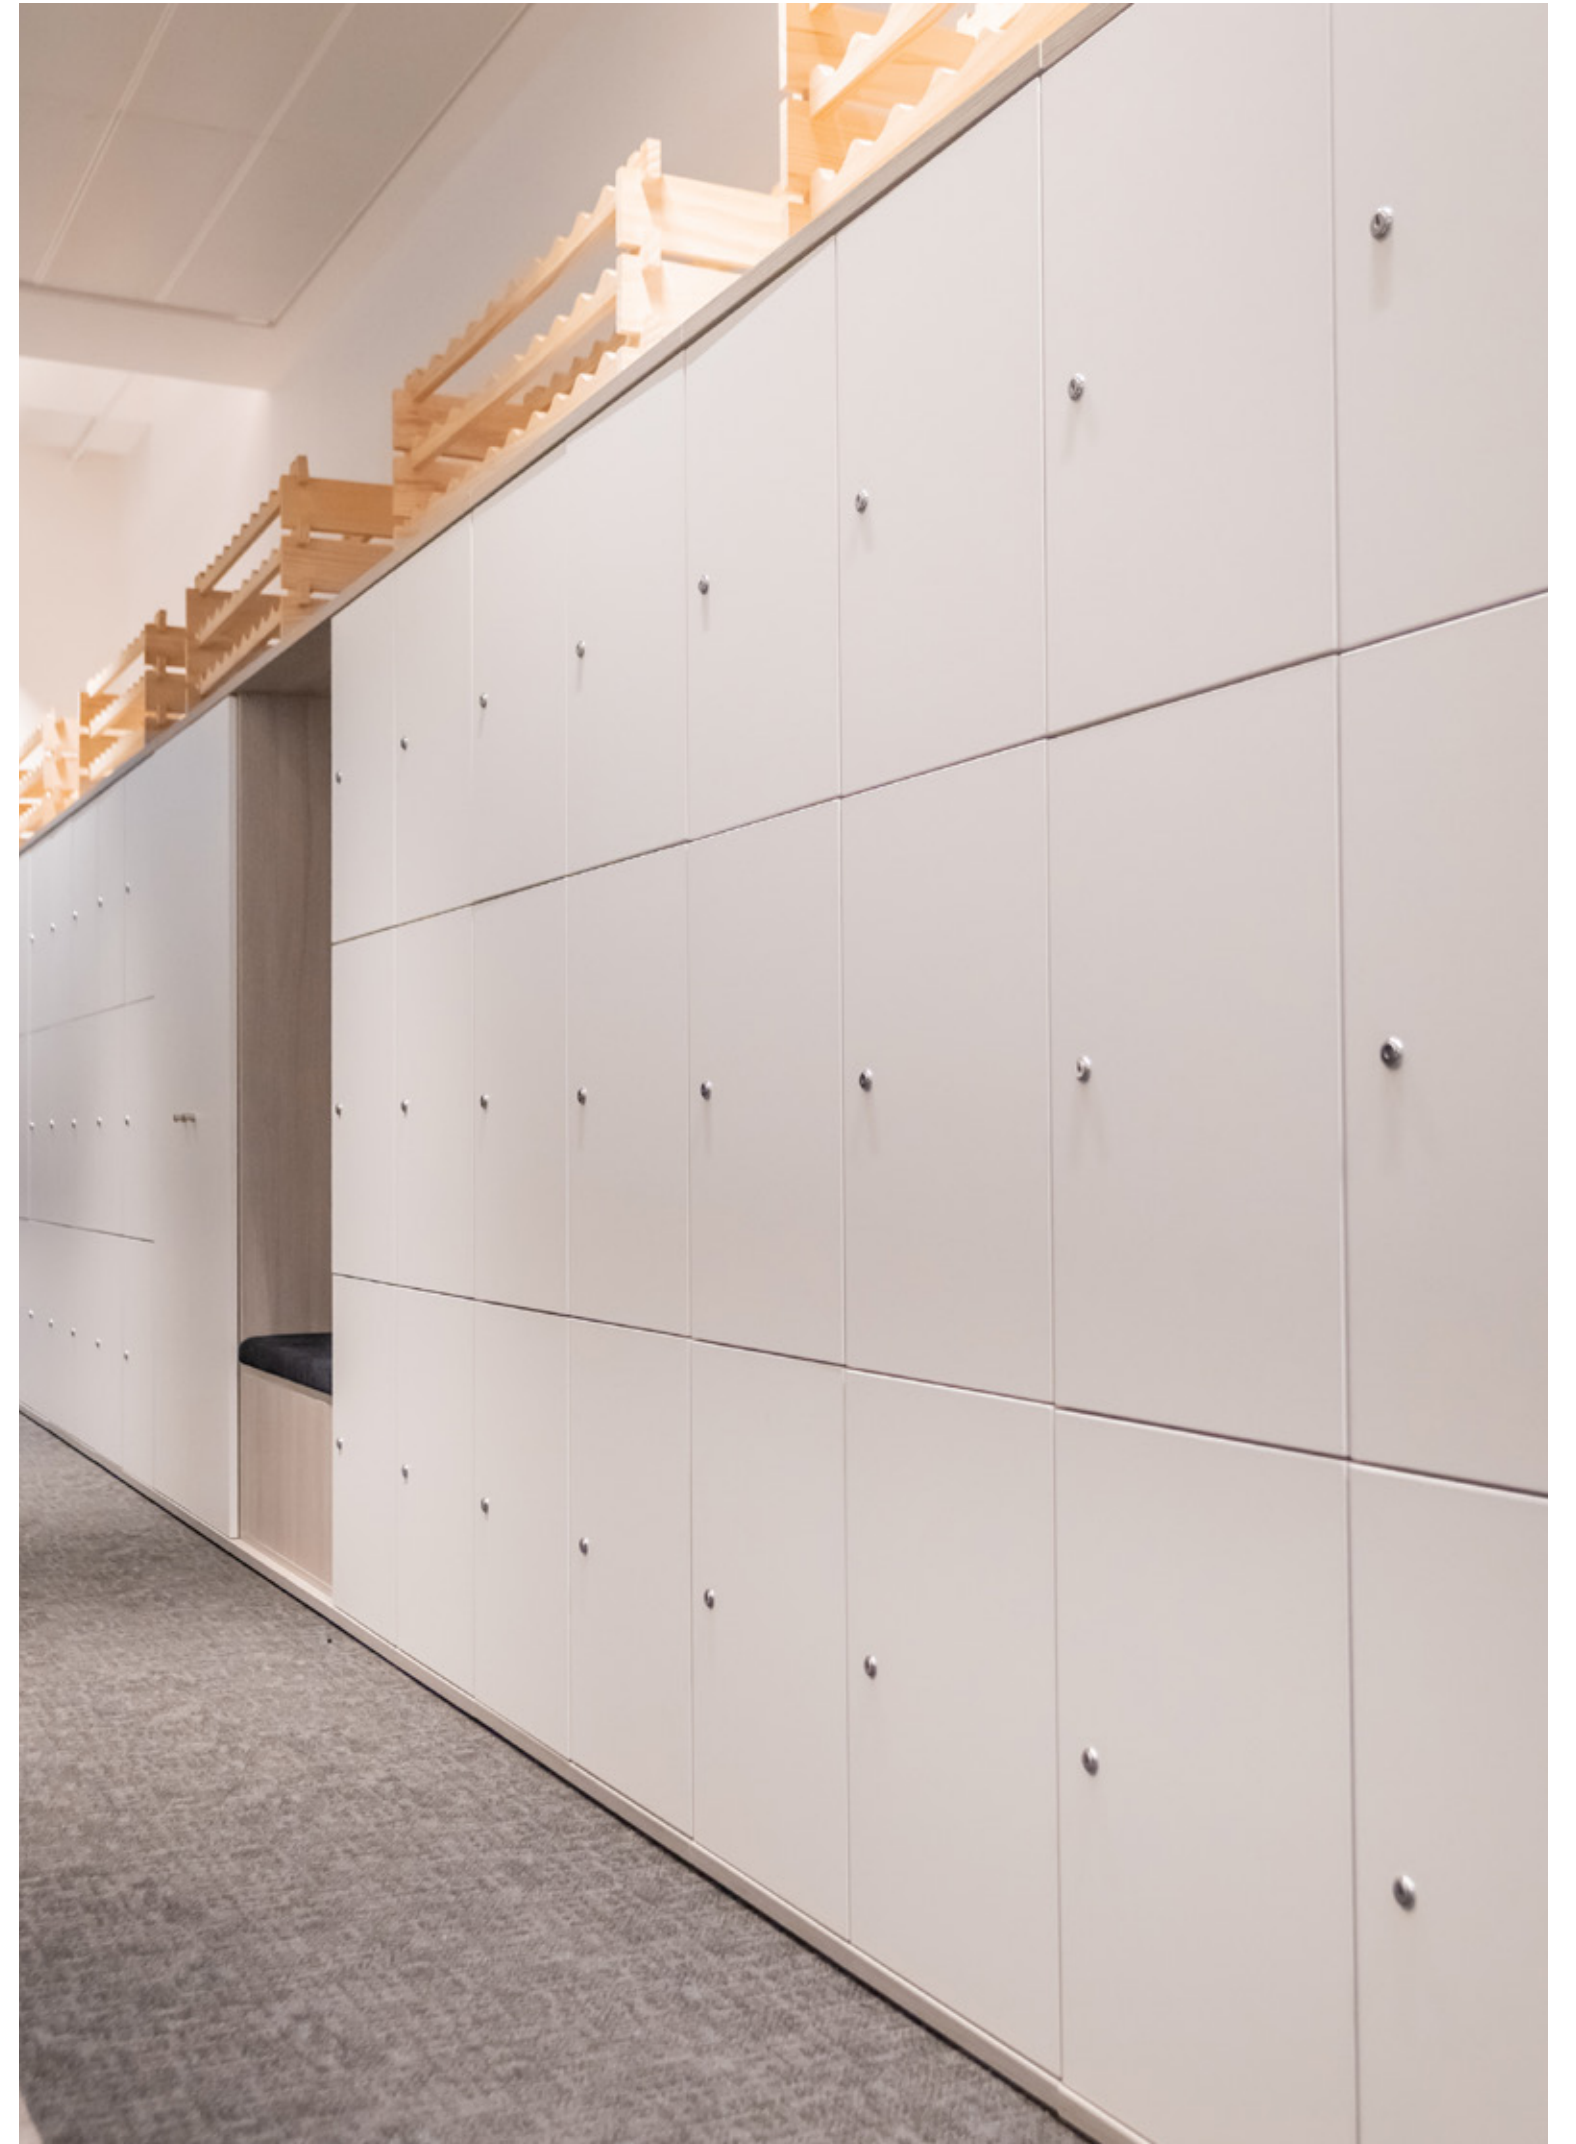

STORAGE SOLUTION FOR ANY SPACE

MFC Lockers bring a modern approach to personal storage, combining sleek aesthetics with exceptional versatility.

Available in a wide range of finishes, sizes, and configurations, the collection is designed to suit the evolving needs of any workspace. Choose from single to five-locker columns, with flexible options including open and closed storage, hanging rails, shelving, and integrated one- or two-person seating.

Thoughtfully designed to maximise functionality while maintaining a clean, minimalist appearance, MFC Lockers provide practical storage solutions that seamlessly complement contemporary interiors. Compact, secure, and highly adaptable, MFC Lockers are the ideal personal storage solution for today's dynamic work environments.
