TASK Project Reference
Completed Sept 2023

NAPIER PARK GLOBAL CAPITAL

Working with talented designers who make our products shine is such a joy! This recent project delivered by the brilliant team at Peldon Rose is a perfect example of a timeless and inspiring design that immediately grabs attention.

The team handpicked a number of items from Marelli spa and ICF S.p.A.'s portfolios to create a meeting and lounge area that is both stylish and functional.

ICF's Valea Soft meeting chairs in burnt orange fabric complement the boardroom perfectly, while Marelli's Paris Armchair, Moon Sofa, and Chia meeting chairs in patterned fabrics by SAHCO and Kvadrat add a touch of luxury. The end result is nothing short of stunning!
