

PRIVATE BANK

TASK Project Reference
Completed Jan 2023

PRIVATE BANK

We have been privileged to work on this landmark project for the UK's oldest independent bank, with office design created by our friends at Two by Two Interiors.

Located in the heart of London, the new workplace interior features a varied selection of products from TASK's extensive portfolio, including vibrant breakout areas furnished with soft seating and breakout pieces from our new Everyday Collection.

The open plan workspace is a mix of our height adjustable Lift3 workstations along with Circ touchdown tables, smartly broken up by Grid open storage runs. Meeting areas showcase an elegant combination of Work tables, beautifully appointed with Fenix surfaces and complemented by ICF Stick chairs. The result is a workspace that feels contemporary, functional and engaging while allowing employees to work comfortably and efficiently.
