REAL ESTATE IM

Showcasing a fantastic example of office interior where form follows function. Working closely with Real Estate IM, we had the pleasure of providing a selection of products from TASK and Marelli's portfolios to create a bright, engaging and collaborative workspace.

The open plan office features our LiFT3 sit-stand workstations paired with Aim task chairs, MFC lockers with padded seating and MFC storage with planters. Striking Brera Armchairs in orange velvet make a statement and provide for a small breakout area.

Downstairs a stylish meeting room furnished with Marelli's Chia chairs upholstered in orange leather surrounding Team2 meeting table. The kitchen area showcases large Work table together with Brook chairs in blue velvet and Marelli's L-sofas with Thor marble coffee table and Task Cube poufs give an inviting and luxurious feel to the reception area.
