SOPERS HOUSE

We had the pleasure of working closely with our friends from Fiducia Interiors on this fantastic project for Sopers House.

TASK's new CUBE soft seating range, featuring armchairs and 3 seater sofas in velvet finish, created a welcoming and sophisticated reception area. Meeting rooms have been furnished with the ever popular WORK table range complemented by ICF's STICK chairs and TASK Credenza. Refreshing breakout areas showcase some more Cube sofas, WORK high tables, TEAM tables and bespoke MFC high table delivered by our professional, in-house design department.
