

STAY CURIOUS

TASK LOOKBOOK
2025

TASK™

PURPOSEFUL DESIGN THAT LASTS

At TASK, our approach begins with human-centered design that is thoughtful, intentional, and tailored to how people work and connect.

With decades of experience and close collaboration with our clients, we have learned to listen carefully and deliver solutions that not only meet expectations but also build trust and reliability.

We invite you to explore the latest edition of our Lookbook and discover the ideas and designs we have brought to life this year.

FROM DESIGN TO DELIVERY

For over five decades in the furniture industry, our curiosity, commitment to continuous learning, and drive for innovation have never faded.

We bring this passion to every project, taking the time to fully understand your brief and, where needed, introducing bespoke products to create a truly personal and dedicated furniture solution.

1. BESPOKE PORTFOLIO

We are a business that promotes flexibility within the solutions we offer and a level of service that meets and exceeds our client's expectations.

2. DESIGN TEAM

Our professional design studio can address every aspect of product development and support all stages of the specification process.

3. INSTALLATION TEAM

We employ full time operational personnel alongside our project management team, and all our installers are trained directly by us.

4. LOGISTICS CENTRE

Our head office and warehousing premises, provide a fantastic facility where we can store product in case of project delays and offer reliable warranty and top-up services.

5. EXCLUSIVE PARTNERS

We are proud to be UK exclusive partner to the luxurious Italian manufacturers Marelli and ICF.

6. EXTENSIVE SHOWROOM

Our Showroom, located in the heart of London's Shoreditch, is a collection of open plan and dedicated focus areas displayed across three floors.

7. TRUSTED SUPPLY CHAIN

Our close relationship with vetted, UK and European supply chain gives us the power to negotiate competitive pricing and control the product design and manufacturing processes.

CERTIFIED SUSTAINABLE BUSINESS

SUSTAINABLE BUSINESS OPERATIONS

We take pride in the services we provide with sustainability at the forefront of our operations.

We are extremely pleased our hard work has been recognised by FISP (Furniture Industry Sustainability Programme), ISO 14001 certification and EcoVadis sustainability rating with a Silver Medal awarded.

QUALITY MANAGEMENT SYSTEM

TASK operate a Quality Management System that has gained BS EN ISO 9001 certification, including aspects of specification, design and supply of office furniture.

We also hold the Furniture Industry Research Association (FIRA) membership giving us access to unrivalled knowledge from standards to research of the furniture industry.

CERTIFIED DELIVERY & INSTALLATION

TASK delivery and installation service meets the highest level of standards set by the Alcumus SafeContractor accreditation.

This accreditation can reassure our clients that health and safety is being handled correctly and sufficiently when delivering and installing furniture on site.

SUSTAINABLE PRODUCT DESIGN

We can provide Life Cycle Assessments (LCA) and verified Environmental Product Declarations (EPDs) for the furniture we supply, providing comprehensive insights into the environmental impacts of our products throughout their entire life cycle. We test our furniture for VOC emissions and all wood based products are FSC® certified.

HERE WHEN YOU NEED US

With our showroom in the heart of Shoreditch and a dedicated logistics centre in East London, we're here to support you every step of the way.

Visit our showroom, get to know our team and discover how we can help bring your next project to life.
