

UPFIELD FOOD UK

TASK Project Reference
Completed Oct 2020

UPFIELD FOOD UK

TASK has been privileged to be part of this exciting project for Upfield Foods UK in West London, working closely with the furniture specifiers and design team at Denton.

We have provided a selection of custom-made Executive Workwalls incorporating ICF's Unitable Desk and bespoke storage solution finished in hard wearing and stylish soft touch Fenix.

Our Lift2 sit-stand workstations have been selected for the open plan office, complemented by the personal metal storage and desk high cupboards with planters, bringing greenery into the design of the space.
