VESUVIUS

TASK have been pleased to showcase a project for Vesuvius Corporate, designed by our friends at Apres Furniture.

We had the pleasure of providing a selection of products from our exclusive Italian partner ICF. Very elegant UNITABLE along with UNA EXECUTIVE chair for the boardroom. UNA MANAGEMENT chair with smaller sizes of Unitable for several of meeting rooms together with Task`s versatile CREDENZA to create modern and functional meeting rooms.

The space was refurbished to reflect the modern forward-thinking ethos of the company and to accommodate a sit-stand desking Lift3 to offer healthier workstation setup.

By providing a healthy and comfortable indoor environment Vesuvius created a positive workplace where people feel a part of company's culture and are enjoying their time in the office.
